

A class you don't want to fail ...

DRUGS 101: WHAT PARENTS NEED TO KNOW

March 9, 2020

5:30 – 7:30 p.m. – Presentation

Hanover Middle School Integrative Learning Center

Free Program for Adults Only!

Pizza and Drinks provided: Come for Supper and Learning!

Drugs 101: What Parents Need to Know seeks to educate parents about the various forms of drugs and the peer pressures facing students to use them.

A mock bedroom of a teenager serves as the backdrop to the two-hour presentation. Parents will enter a mock bedroom that has been set up to resemble a teenage drug user's room. Parents are asked to identify drug and alcohol paraphernalia items that are placed within the bedroom.

Throughout the presentation, more than 80 trendy drug and alcohol indicators will be unveiled to show how some adolescents hide drug and alcohol use from their parents.

Signs, symptoms and current trends of gateway drugs will be discussed. In addition, the program will focus on: **Heroin, Marijuana, and Prescription Drugs.**

Participants will receive a drug and parent informational packet along with a prescription drug disposal kit. Spread the word, bring a friend! See you on March 9th!
