June 3-6, 2019**

**Session 1 -- 8:30-11:00 AM**

**Session 2 -- 11:30 AM-2:00 PM**

*Hanover Public School District is pleased to offer enrichment activities for our students!*

**Deadline -- May 17, 2019**

## **ONCE UPON A TIME**

Session 1: For students completing grades K-4

Location: Washington Elementary Room 16

Instructor: Jen Gebhart

Each day will feature a fairy tale to read and explore. Students will read different versions of the fairy tale, complete STEAM activities based on the fairy tale, have an opportunity to write a fractured fairy tale, and even get to act in readers' theater with the other students.

---

## **BEACH FUN ART**

Sessions 1 & 2: For students completing grades 1 & 2

Location: High School Art Room 303

Instructor: Julie Smith

Students will create fun and whimsical beach inspired artwork, using a variety of tools and techniques such as scratch art, watercolor, and pastels. A different project and technique will be covered each day.

---

## **VIRTUAL REALITY AND FUN WITH TECHNOLOGY**

Session 1: For students completing grades 3-5

Session 2: For students completing grades 6-8

Location: High School ILC

Instructor: Sara Brenneman

Interact with multiple technology experiences including 360 videos and virtual reality. Students will also have the opportunity to get creative with our laser engraver and vinyl cutter.

---

## **MORE THAN CLASSICAL MUSIC**

Session 1: For students completing grades 7-12

Location: High School Orchestra Room

Instructor: Lauren Taylor

Ever wanted to learn how to fiddle? What about play the chunky chop or arrange a pop tune? String players are welcome to come explore eclectic styles of string repertoire.
